

Jesus is the Cure! Minister R. Thomas Lambur

The goal of the medical community is to manage illness. It has limitations in many cases, and therefore doesn't cure. However, with the Lord Jesus, He doesn't just manage, but **brings cure**. In every case Jesus healed either instantly or progressively. Jesus has ordained doctors as His helpers. He does attempt to use the medical community in His indever, yet due to man's fallen intellect there are limitations. When Doctors are Born Again they have a new capacity to receive **the "Mind of Christ"** which mean their able to help the sick by further cooperation with our Lord and His insights to the way He made the body. We believe Doctors over-all are seeking to do service for the Lord in preserving Life. The medical community is responsive to aid though the Lord's great mercy. We must continue to pray for all those in the medical field that God will continue to pour out His wisdom making them more affective. The medical field has recently been made aware of **the power of pray** through their studies and readily acknowledges that the people who are sick improve toward healing faster with prayer.

Medicines & Supplements

We find in Scripture Moses curing the waters by cutting down a tree, and further that the leaves of the Tree are for the healing of the nations. Since are body is organic, medicines and supplements are therefore an organic source of aid to our body's health and healing. We thank the Lord for the insight of His wisdom to help our body when it has these needs. We must not ignore such help from the Lord to preserve us in continuing here being His witnesses on earth.

Going Past Limitations Straight To Our Lord

The Lord knows the limitation of the medical community, so there is a cure available. The Lord is the source of health and healing. We must always seek Him for what has been promised to us through the blood covenant of His cross (**Isa. 53**). The Lord's Name is **Jehovah-Rapha** – the Lord our healer (Exodus 15:). The Lord has attached His Holy anointed person to His Name, His Word (promises of healing), and His Blood. All the promises of God are YES and Amen (So-Be-It). 365 times the Bible says "**Surely!**"

No one in the New Testament who came to receive from Jesus ever wasn't healed.

8 times in the New Testament it says everyone who came to Jesus was healed.

Acts 10:38 says His power heals all.

The Children's Bread Is Healing

Matt. 15:26-28 But he answered and said, It is not meet to take **the children's bread**, and to cast it to dogs (*Gentiles*). And she said, Truth, Lord: yet the dogs eat of the crumbs which fall from their masters' table (*receiving from the covenant and from His grace*). Then Jesus answered and said unto her, O woman, **great is thy faith**: be it unto thee even as thou wilt. And her daughter was made whole from that very hour.

We have a Covenant which provides us Healing through our Lord.

Sickness is a product of the fall, due to sin, and Satan. I don't think that the devil desires medical doctors to help in preserving Life, nor the Lord who cures us completely and makes us whole. **Jesus came to destroy the works of the devil** (I Jn. 3:8).

Jesus did this at the Cross...and the atonement in **Isaiah 53** says;

"By His Stripes – We Are Healed."

"Jesus is the same...He constant... Never changing... Bringing Healing to YOU!"

Review and meditate upon the following Scriptures and receive by simple Faith His healing power for you! **His Power** is released to us **through His Word**.
