The Listening For The Eternal Sound - The Heart Beat Of God

From Brother... Rod Lambur

The Two Feet Of God – His Creation And The Spirit Word

The Eternal stepped one foot out when He was making creation so we see His awesome handy work. The *visible things* of creation which were made by Him are now clearly seen - made visible the making of all things that are seen from those things that are *invisible*. The other foot stepped out moving forward when He by His Spirit Word framed the universe making everything which we now see come into being *by an unseen hand*. The Eternal (Spirit of Creation) *hovered* and *brooded* over the creation and His finger prints were clearly left there in it on purpose for us to see.

Clear Disclosure - The Eternal

John 14:9 Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? he that hath seen me hath seen the Father

How can we not see it? Like Phillip Jesus was there every day demonstrating to him *what* and *who* the Eternal Father is...*in attribute, in character, in manifestation of supernatural demonstrations...* How could he be so blind? The same is true of every person that can not see *His workmanship* on display in the earth. Mankind has no excuse in not seeing the workings of *the Eternal* each day as they awake their morning. *So what do we see in His creation but His strength... His Grace... His faithfulness daily at work. The Eternal is so very constant... And so it is that every single day the Sun's bright light is shining in the skies from the dawning... and the moon every night in the twilight. Generation to generation life being sustained and for only one purpose... so they all might have a chance to really know Him... know the Eternal as He really is through His only Son Jesus Christ.*

The Provision Of Creation Shows His Love For Humanity

Rom. 1:20 For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

Romans chapter 1:20 tells us that He decided to make *creation His witness* so that no living man could say that they had not a clue that God existed. Here it says that His Eternal power and Godhead has made it *very evident* that God made everything in existence. The *creation* has been given *His marks*... has each with unique character, attributes and *design* which goes back to *the designer* the Eternal who made it. Everything He created has *His Marks upon it*... the plants, animals, planets, Atom, DNA, even the smallest microbe has been *overseen*. One of His steps in our *illumination* was to *disclose Himself* giving mankind *the revelation of His hand of grace in creation*, while the other step He took was to reveal Himself *through direct revelation, His self disclosure by the "Spirit Word."* It is all about seeing His love for us, people.

Can You Hear The Sound Of Heaven? - Communication With The Lord

Paul says there is a communication – a heavenly utterance – a sound from heaven that

the Lord desires us to clearly hear. Paul describes *different sounds* all connected to *different signals*, all with significant meaning and are *discernable*. The Voice of the Eternal is very discernable when He comes to us and speaks forth...

1Corn. 14:7-10 And even things without life giving sound, whether pipe or harp, except they give a distinction in the sounds, how shall it be known what is piped or harped? For if the trumpet give an uncertain sound, who shall prepare himself to the battle? So likewise ye, except ye utter by the tongue words easy to be understood, how shall it be known what is spoken? for ye shall speak into the air. There are, it may be, so many kinds of voices in the world, and none of them is without signification.

Rev. 14:2 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder:

John the beloved the Apostle revelator *heard His Voice* as the rushing out of waters and thunders. John says he was *in the Spirit* (on the Lord's Day) when he heard the Lord speak... Do you know how to get into the Realm of the Spirit?

Luke 7:32 They are like unto children sitting in the marketplace, and calling one to another, and saying, We have piped unto you, and ye have not danced; we have mourned to you, and ye have not wept.

Jesus said we have piped for you... a joyful tune – they didn't hear the sound... they didn't dance. Jesus said we have played a tune of lament... they didn't listen they didn't mourn. In both cases the generation He was trying to speak to *weren't listening to the heavenly sound*. However listening and hearing from the Lord daily is as normal as reading the news or listening to a tv or radio... because our God is a God of Communications...and we know that by the book He wrote for us sending His Words from heaven. According to God's standards *in heaven... so in earth...* for His people on earth... hearing from heaven is something that comes standard *by the Spirit* given to each of us at the moment of faith. All the Old Testament fathers of the faith as well as the New started ... "*by becoming familiar with His voice.*"

Matt. 4:4It is written, Man shall not live by bread alone, but (LIVE) by every word that proceedeth out of the mouth of God. You see living normally according to the Lord's standards are clearly *to be in pursuit of hearing the Lord proceeding Spirit Word... the Spirit Word is life our very life.*

Rev. 10:7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

There is always timing when revelation is being unfolded...like a scroll from its start to its finish... "*in the days of the voice*" ... "*when he shall begin to sound*" ... then there is always a *beginning* to His revelation... then a *finish*... and if your are listening really good then these things are being *declared unto you...the listener of the Eternal.*

We are to receive for the Lord what is divinely being *declared* unto us... what is being sounded... *the message comes to us... telling us insights ... giving us our bearings and direction...* the guidance to take *the next steps* in the Lord's will and unfolding plans in our lives.

The Purpose Of Listening – Knowing Him

Jerm. 33:3 Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.

The institutional church (from the days of *Constantine* till today) often so independent and aloof doing its own agendas (Rev.3:20) to what the Lord is saying... often closed and crossways with His voice... dwelling in a desert land spiritually - a wilderness in comparison to receiving from the Lord. Most people who dwell in these type institutions feel uninspired ... compared to a true and lively proceeding Word which brings the hearers a new vitality... and fosters a living faith and intimate connection with the living God. Truly the Living Waters of the Spirit are so refreshing and awesomely overwhelming... coming upon the seekers...to quench their thirst and deliver them from the dry natural religion that the institutional churches so freely offer. But it is only by hearing... having spiritual ears that one comes to know these realities and renews a living faith in the womb of the believer. This encounter with God is revolutionary because the supernatural of God becomes natural replacing Natural Religion. Christianity itself was NEVER... EVER!... intended by the Lord to become Natural Religion... the broken cracked barren water pits...hewed out by men for the purpose of substitution, that of trading religion for intimate relationship.

Jerm. 2:13 For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water.

What is gained by following *Natural Religion* anyway? Heaps and heaps of information exchange (some profitable - some not – most not) and religious philosophies and laws of men and tradition (told us as necessary) to be observed (not in the Bible) instead of following the Eternal and drinking a fresh daily from the fountains of Living Waters of His Spirit Word.

Matt. 15:3 But he answered and said unto them, Why do ye also transgress the commandment of God by your tradition?

Matt. 15:6 And honour not his father or his mother, he shall be free. Thus have ye made the commandment of God of none effect by your tradition.

Man-made religious traditions (then and now) always have a way of either obstructing the Will of God or trying to take men into a completely different path (direction) away from His. Religious men are like that... always shutting up the way...

Matt. 23:13 But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against (seeking - thirsty) men

Drinking from heaven's waters... as John the Beloved did in the book of Revelation is a model for us. *The sole purpose of listening* for the Eternal's Voice is draw closer to Him... to know His love for us... understand *His provisions* and *protection* ... the way He surrounds His creation... His *disclosures* to us... His *revelation* of His Kingdom treasure *uncovered*. The biggest treasure of all is actually knowing the Eternal Himself!

God's Communication With Us – Can You Hear Him Whisper?

IKings 19:12 And after the earthquake a fire; but the LORD was not in the fire: and after the fire a still small voice.

Whispers are words that are only heard out of the silence. Our soul's condition has usually been the brunt of an onslaught... a deluge of many voices... the input and our memory is full of past words taking up space in our cranium. Passed all of these thoughts beyond the daily press of sounds coming into our head...and rattling around inside there... we have a resource many times *unused*, that of *hearing the main voice of our consciousness*... where indwells the Holy Spirit *waiting to fellowship and build us up*. The soul needs to be *quieted*... it needs times of quiet reflection *gazing upon the Lord...receiving from His presence*... sitting receiving *radiance from His Spirit into our mind*... then *the planting* of His Spirit Word into our soul is also a necessity and that is done *through daily meditation*. When a pump is dry sometimes to get the water to flow out readily it needs to be *primed*. In the same way when we meditate upon the Spirit Word and *say it* to ourselves in the hearing of our ears (having a quiet conversation with the Eternal) often in these moments we will hear His voice coming through the reflections of our heart... it is here the Spirit Word is *identified*. I will use an example from His creation to explain further. Like a *quiet brook* that *mirrors* imagines back to us without a ripple...a clear reflection coming back to our eyes... the Spirit Word comes from the depths up through the waters of our conscience and gives us that which can be *seen* (picture images) and *heard* (word instructions)... *only by spiritual eyes and ears* (study the meaning of Heb.11:1). In these *reflections* upon the surface of the conscience they completely are *readable* ...and *understandable* ... His conversations with us. It often takes us some maturity and discernment *to develop the insights* He gives to us (hearing daily – seasonal insights) because working with the Eternal we come to know different dimensions of spiritual revelations (line upon line) floating there for us ... *some the knowledge of our own soul*... *some the knowledge of the Spirit Word* rising through to float there upon waters of our conscience... sometimes the Eternal comes from a perspective that is depth... an *hard to understand* without digging down deeper into the pages of His book. The word “conscience” literally means – “*with knowledge*”... realize it has been placed in us... a unique gift... *that of have a spiritual witness in us*... always ready to converse with us through His proceeding Spirit Word. “*With Knowledge*”... the conscience is then receiver of that knowledge that is available to us (((if))) we care to listen to him speaking...

Jesus says... “He that hath an ear, let him hear what the Spirit saith”...

The Spirit Word *conveys to us* His communication...and we are brought into a *true spirit connection*... a union with the Eternal. The hookup occurs and gets stronger as we go seeking Him... the connection of hearing His Voice. A sound is daily going out... a daily *heavenly dispatch* ... the deep is calling out to the deep *in a whisper*... the Spirit is now *sounding* ... the Living Waters are speaking. As majestic as a Waters Fall... as flowing as a stream ... calming and forceful ... anointing sprites touching us ... refreshing us in the depths of our soul.

Our ears in tune we receive a flood into our being *as the Spirit pours into us the overflow of heaven*... heavenly utterance *so pure, so high, so revelatory*... past, present, and future *become quickened to us* in our embrace of Him. Our consciousness becomes so filled by spending time in His presence, *revelation- line upon line*... until we are satisfied by *the very knowing of His person*.

The Spirit Word Quickening Us To His Person

John 6:63 It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

Now we feel a new awareness of His presences coming along side His Word. The Spirit Word now is quickening us to the Eternal... the one who actually spoken the Word we are reading now draws near to those seeking Him. We as we are opened up before His Spirit Word He now comes... connect us to Him. Heaven's promptings ... the deepest most satisfying streams of His fullness which come from His passion to fellowship with us now gushes into us... imparting Himself so we might truly know His person more distinctly.

Divine Impartations – The Anointing Which Teaches Us

II Corin.3:18b ..."the Lord, who is the Spirit"...

The full deity of the Spirit is revealed here in this passage... The Son and the Spirit are *one... one* in the Godhead ...*one* in the purpose and plan... they desire to deposit these impartations into our life so that we might carry out what we were born into this life for. The Spirit is the "*divine agent*" that connects us with the Son and the Eternal Father God. It is the Spirit that draws us close to the Eternal. With ever-increasing Glory which is flowing to us through our intimate relationship with Him... we are being changed daily...transformed into His likeness.

1John 2:27 But the anointing which ye have received of him abideth in you, and ye need not that any man teach you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him.

Disclosing Revelation Higher Than We Know – Descending Heavenly Understanding

Isa 55:9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

Getting to know the Lord is all about His disclosing Himself to us. We all draw close to the Lord through revelation of Him...

His ways and thought are must more advanced than we are... so we are normally challenged to think in the *supernatural abilities* of the Lord rather than *the limits* of these fallen lower viewpoints and attempts to fix mankind's woes . The Scripture talk about us coming into the hearts understanding of Him:

Prov. 4:5 Get wisdom, get understanding

James 3:17 But the wisdom that is from above is first pure

James 3:15 This wisdom descendeth not from above, but is earthly, sensual, devilish.

James 1:5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.

The wisdom of God is what *Solomon* asked for that *carries* along with it both *honor* and *riches*. We are to seek the Lord for His wisdom...that descends from a higher Realm... *the Realm of the Spirit.*

3John 1:2 Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

Our soul being connected with the Eternal is the only way we can overcome in this fallen world. The transfer of heavenly wealth is by directly by being exposed to His direct presence in a time of waiting upon Him.

Phillip 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.

Through *the Cross and sacrifice of Christ* all has been made complete for you *to receive covenant benefits... the windows of heaven are standing open* for us because of Jesus in our lives...however *there is a transfer to be made* from heaven into the earth... *the supply* is to be moved from there to here... "How you may ask?" through *the Realm of the Spirit! through the Glory of God* right to your need.

Side By Side – The Holy Spirit Called The Comforter And You - Revelation

John 14:16 And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever

John 14:26 But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance(speaking through His Spirit Word To You), whatsoever I have said unto you.

John 15:26 But when the Comforter is come, whom I will send unto you from the Father, even the Spirit of truth, which proceedeth from the Father, he shall testify(shall tell you all about Jesus) of me:

John 16:7 Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

The *Spirit Word* now steps us into His will. *Step by step* we hearken and walk with Him *side by side*. The Spirit is called by our side and us by Him. It is in *the waiting times* those times when we are shut-in with Him that *we befriend the Spirit*. Friends of the Eternal *receive communications* like faithful Abraham and then allow the Lord to live through them like the Apostles did. *Side by side living* with the Eternal is much different than the fallen life styles of men *who do not know Him*. *Stride for stride* the believer that is intimately coming to know the Eternal *in this deep way* become *more lively* and *full of His fire*...different than the norms of *the religious dead*. The main difference is *the incarnational results* from fellowshiping and yielding to the Holy Spirit. The believer who connects is a vessel that acquires the Spirit Word leading... sees the Lord walking in Him ... living through Him... a consciousness awareness not seen *in the mere religious*. This has the Lord purposes placed inside of them... they in fact start to carry His command and care out a heavenly priority that is worth more than the rewards in this life. These are ones who have been set apart to live in this way (normal Christianity) and receive a Crown.

Hearing The Sound Behind The Voice – Listening To The Spirit Utterance

1Thess. 2:13 For this cause also thank we God without ceasing, because, when ye received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe.

The messenger proclaims *the Spirit Word* and the hearer listens and picks up *the sound, the voice behind the voice*. Paul said that the believers had received his ministry not as *the mere voice of a man*, but *inspired ... Spirit Word activated... that of a direct Proceeding Word*... this *Natural Religion* can never make up for. Once *the sound* is recognized and received ... the active *Spirit Word*... personally to us... the vital

connection *brings a rebirth* to the religious... *a revival, a renewal a spirit refreshing* to the listening seekers.

Having A Passion For His Fullness – Receiving The Utterance

John 14:21 He that hath my commandments (Spirit Words), and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.

There is nothing like having the Lord come to us in this way... on a daily basis. Develop your hearing by listening first to His Spirit Word then you will become connected to the one who has spoken it. He speaks to us as we have been faithful to plant His Spirit Word into our heart. The Spirit Word needs to be conceived in the womb of our spirit before He you will be able to hear Him clearly. The *Spirit' voice* is the same as that of the Word... which is quoted in *Scripture*... the Word and the Spirit is the "*Spirit Word,*" *they are one in the same* when the Eternal is speaking directly to us. This leading of the proceeding Spirit Word is then always confirmable by the Scriptures. This is the dynamic walking in the Realm of the Spirit and Kingdom of God.
